

October 2023

Dear Families,

It has been great to see everybody back in school. The staff are really enjoying getting to know their new classes. We are looking forward to meeting you all at Parents' Evening.

At this meeting you will have an opportunity to discuss how your child has settled in their new class and the progress they have made so far.

If your child has additional needs there will be another opportunity to meet with your child's class teacher in November. Specific details for this will follow shortly.

As you may be aware, Miss Alison Jones has been appointed as the new SENCo for the Infant Department. Until January 2024 Miss Ruth Frain, will continue to support children, staff and families across the Primary School. We appreciate your patience during this transition time.

If you have a query regarding your child's additional needs, in the first instance, please speak to your child's class teacher. For further support please contact Miss Frain via admin@gilmourprimary.com or alternatively call the school office 0151-427- 6306 and leave a message.

Please do not hesitate to contact school for support and advice. We are here to help.

Kind Regards,

Mr C McDonald
